(*f*) Every application for the renewal of a licence granted under this bye-law shall be made not later than the 1st March of the year preceding that in respect of which the renewal is applied for.

3. Every person who may have obtained from the Commissioner a licence for the use of any premises for the purposes mentioned above, shall cause all materials which have been received upon the said premises and which are not required for immediate use to be stored in such a manner and in such a situation as to prevent the emission of noxious or injurious effluvia therefrom.

4. He shall adopt the best practicable means of rendering innocuous all vapour emitted during any process either from the articles operated upon or from the contents of any cask, tank, vat, pan or other receptacles upon the said premises.

5. He shall at the close of every working day cause the said premises to be thoroughly cleansed.

6. He shall cause every floor or pavement upon the said premises to be kept at all times in good order and repair so as to prevent the absorption of any liquid filth or refuse or any noxious or injurious matter which may fall or be deposited thereon.

7. He shall cause the drying ground and all the ground surface of the said premises to be kept smooth and free from hollows or inequalities so as to prevent any accumulation of liquid filth or refuse.

8. He shall cause every drain or means of drainage upon or in connection with the said premises to be maintained at all times in good order and efficient action.

9. He shall cause every part of the internal surface of the wall and the ceiling of every building upon the said premises to be lime-washed to the satisfaction of the Commissioner twice every year or oftener if so required.

10. He shall not permit or suffer any building upon the said premises in which dyes are stored or kept to be used for human habitation.

11. He shall cause all refuse or other matter which may have fallen or been deposited upon any part of the said premises to be collected and deposited in suitable receptacles or places to the satisfaction of the Commissioner.

12. He shall cause every such means of ventilation and lighting as may be provided in or in connection with the said premises to be maintained at all times in good order and efficient action.

13. He shall provide in such premises an adequate supply of pure and wholesome water.

14. Any person offending against any of these bye-laws shall be punishable—

(*a*) with fine which may extend to fifty rupees and in case of a continuing breach with fine which may extend to fifteen rupees for every day during which the breach continues after conviction for the first breach; or

(*b*) with fine which may extend to ten rupees for every day during which the breach continues after receipt of notice from the Commissioner to discontinue such breach.

Notification dated 1st July 1953.

**No. A. 1. (9)—52-53.** The following bye-laws framed by the City of Bangalore Municipal Corporation under clause (16) of Section 367 read with Section 369 of the City of Bangalore Municipal Corporation Act, 1949 (Act No. LXIX of 1949), for regulating the use of places for refining gold in the City of Bangalore, and sanctioned by the Government of Mysore under Section 370 of the said Act, in their Order No. L. 2091-94—C.M. 27-52-85, dated the 13th May 1953, are published for general information. These bye-laws will be given effect to from the 1st November 1953.

*Bye-laws under Section 367 (16) read with Section 369 of the City of Bangalore Municipal Corporation Act, 1949, for regulating the use of places for refining gold in the City of Bangalore.*

1. Every person using or desiring to use any place for refining gold shall cause such premises to be thoroughly cleansed as often as may be necessary and at least twice in every 24 hours and shall prevent any accumulation of filth or refuse therein.

2. He shall cause all refuse or other matter which may have fallen or have been deposited upon any part of such premises to be collected and placed in suitable covered air-tight non-absorbent receptacles to the satisfaction of the Commissioner. He shall cause all such refuse to be removed from such premises at least twice in every 24 hours and shall be disposed of in such manner as may be approved by the Commissioner.

3. He shall provide and shall cause every means of ventilation upon or in connection with such premises to be maintained at all times in good order and efficient action so as to permit the escape of all gases, vapour, fumes, dust, or other impurities produced or generated in such premises.

4. He shall provide and shall cause to be maintained at all times in good order and efficient action all such means and appliances as are necessary for rendering innocuous all gas, vapour, fumes, dust, or other impurities emitted during any trade process either from the articles operated upon or from the contents of any receptacle upon such premises or from any source whatever connected with the trade.

5. The premises shall be sufficiently spacious and suitable for the purpose of the business intended to be carried on there.

6. He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot lime-washed at least twice in every year in the months of April and October or more often if so required by the Commissioner.

7. He shall provide and shall cause every drain or means of drainage upon or in connection with such premises to be maintained at all times in good order and efficient action.

8. He shall at all times adopt and cause to be maintained in good order and efficient action upon such premises all such means and appliances as the Commissioner may from time to time require for the prevention of inhalation of dust, dirt, gas vapour, fumes or other impurities and for the purpose of preventing any injury to any person employed therein or preventing, abating or minimising any nuisance or annoyance to the neighbourhood or to the public.

9. He shall not permit any part of the building in such premises to be used at any time for purposes of human habitation nor shall such building open into or on any thoroughfare or place of public resort.

10. No leper and no person suffering from any open sore or any loathsome, infectious or contagious disease shall carry on the business referred to in bye-law No. 1 and no one shall employ a leper or any person suffering as aforesaid to assist him in carrying on such business.
